Office Revision Committee were recently referred to him for opinion Med that the Committee's suggestion in the matter of grant of leave by the D. and S. officers will not effect much in the way of reducing the correspondence in his office vide para 13(1) of his Unoffl note of 21.8.06 the second proposal of the Senior Surgeon in the letter under disposal is that D. and S. officers may be empowered to grant Casual leave for not more than 3 days in cases of emergency, to the gazetted Med officers serving under them. This proposal appears to conflict with the orders conveyed in Govt. no: Fl 3444-89 Gen Fin 25-06-1 of 12.11.06, which according to which it is only to Heads of Depts that the power to grant casual leave to all officers under them has been delegated.

2. Under G. O dated 12th Nov 1906, all heads of offices are empowered to grant casual leave to all officers subordinate to them and "Heads of offices" are explained as including those who are in independent charge of offices. If Dist medical officers are ~~to be~~ directed to be treated as "Heads of offices", they will get power under that order to sanction casual leave under the Rules and the purpose will be served; but it is a question whether Dist medical officers may be so empowered. They are generally officers in the Apt Surgeon's grade. If the power of sanctioning leave be ~~not~~ extended to them, ~~there~~ other there may come applications from officers of the same rank in other departments for similar extension and they will also have to be treated in the same way.

Sir,

With reference to para 7 4 of Government Proceed-
-ings No.6828-9/Med.51-05-11 dated 4-2-1907 conferring on
District Medical Officers the power of granting casual --
leave to Hospital Assistants serving under them, but re-
-serving the report of such grant of leave to the end of
the month, I have the honor to say that the latter proce-
-dure is an undesirable one in that it leaves me in igno-
-rance of what is going on in a District for possibly 5
days at a time. - Only yesterday a Deputy Commissioner com
-plained to me that a certain dispensary was closed when
he called on a certain day - and I could give him no satis
-factory explanation of it nor has any information been
furnished regarding it to this office. So I would be glad
if the order were so modified as to require the District
Medical Officer to report to me at once all leaves granted
and the arrangement he has made for the duties of the indi
-vidual when leave has been granted.
